Note: Roger and Gloria have reached that time in life where it's time to scale back. They have moved into care facilities in town and no longer have room for their fine furniture etc. All items are ultra clean and of the highest quality, one look at their home will tell you that these are great people and all their belongings are of that standard as well.

Roger and Gloria Beckstrand, Sellers

FINE FURNITURE

Absolutely Outstanding China Hutch and Dining table & chairs. They were both made by **Richardson Bros.**, one of the top of the line furniture manufacturers in the U.S. The Hutch is solid Oak, Mirror backed and interior lighted, it measures 80" high and 54" wide, top separates from the bottom. Both of these pieces were bought new from Mireault's in Fosston in 2000. These could be passed down in your family as heirlooms. The table and chairs are solid oak, The table slides apart to reveal 4 extra 11" leaves for a total length of 102". It is unique in that it is a "Trestle table"- meaning the two bottom supports are connected by a bridge of upper and lower rails which are vertically spanned by many turned spindles. There are 6 chairs to go with it. Hutch and Table will sell separately.
